

Comprehensive Care Close to Home.

SAME DAY SICK APPOINTMENTS AVAILABLE!

Watson Clinic South Internal Medicine specialists **Stephen G. Swengros, MD** and **Georgette D. Farmer, ARNP-C** offer a range of general primary care services, preventative screenings, and fast and comforting treatments for sick visits.

Working together, these highly experienced medical providers can honor same day appointments for established patients when a minor illness or injury demands more immediate attention. This option helps patients find the level of care they need without the long waits and high costs of an emergency room visit.

Call **863-680-7190** or schedule an online appointment through MyChart at Watson Clinic LLP at www.WatsonClinic.com/PatientPortal.
