

WATSON CLINIC

Physical Therapy & Sports Medicine

Department Information

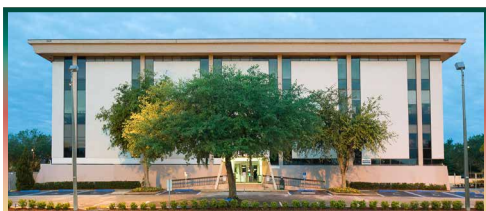

Watson Clinic's Physical Therapy & Sports Medicine department offers comprehensive rehabilitation services and much more from three convenient locations.

Utilizing the most progressive technologies and techniques in the industry, our expert care team specializes in helping patients recover from orthopaedic, neurological and sports-related injuries through services like hand therapy, manual therapy and vestibular rehabilitation.

Holding advanced certifications in physical therapy, orthopaedics and athletic training, our specialists are frequently called upon to perform high school, collegiate and professional team physicals.

The department's occupational therapy team helps both children and adults overcome physical challenges that may limit their daily activities, while our Chiropractic Medicine provider improves the quality of life for patients living with chronic and acute pain.
